The second floor is to be levelled and seating space increased. This will make this part of Murray's a much more comfortable place for dining than heretofore. A large dancing space on this floor will be arranged. The revolving floor space tables are in such great der and tables are in such great der ud that it is possible Mr. Cox and Mr. Kelly may install a novel attraction on the second floor.

Healy's

The dazzling skating ballet, "On the Ice," which is the principal feature of Thomas Healy's Victory Revue at the Golden Glades, has been voted one of the most daring and novel theatrical rarebits of the current season. All manner of ice exhibitions, from fancy skating to daredevil acrobatic feats, are introduced by a galaxy of ice artists such as never before have been grouped in a single production. Topping the list is dainty Cathleen Pope, whose clever work has more than earned for her the popular sobriquet of Queen of the Ice. Next in line comes William P. Chase, whose form skating has been a distinct feature of the performance. Others contributing equally delightful specialties to this part of the entertainment are Davidson and Dean, world
